

SEATTLE'S SKYLINE BY 2010

View from the north, looking south

READY FOR OCCUPANCY

- 2005
- 2006
- 2007
- 2008
- 2009
- 2010

Downtown Seattle could look quite different in the future, as a wealth of development projects are in the pipeline. This image portrays what the city would look like in 2010 if all currently proposed developments are completed.

NOTE: Includes major projects of 50 units or more only.
